

Transportation Asset Management Council
Monthly Report

July 2005

1. Stacey Schafer and Kendall Feldpausch developed a proposal for a training program that could be used to train people in the MPO/RPO. They, in turn, would then train personnel from the various agencies within their respective areas.
2. The FY 2007 budget has been developed and is being presented to the Council for approval. It is for the same amount that was approved by the Legislature for 2005.
3. Training for the 2005 PASER ratings has been completed. Staff is compiling responses and evaluations of the sessions and will present the results to the Council once it they are completed.
4. As of July 25th, the Council had expenditures totaling \$429,591.
